

Medicare Supplement

Unexpected medical costs can put a strain on savings. A Medicare Supplement plan from National General offers clients protection against out-of-pocket costs for the expenses Medicare Parts A and B may not cover. Members can focus on getting well, knowing their savings are safe from the high costs that often come with medical care.

Why Cover Your Client

Although they represent about 12% of the U.S. population, adults ages 65 and older account for approximately 26% of all physician office visits.¹

Adults older than 65 years account for up to 20% of all emergency room visits and 36% of all hospitalizations.²

Highlights

With Medicare Supplement insurance, members get:

- » The flexibility to see any doctor or go to any hospital, with no network restrictions or referrals.
- » A 7% "roommate" discount for members who live with 1-3 other adults age 50 or older.
- » No waiting period and no paperwork to file. Members present their ID card. Benefits are paid directly to the doctor or hospital.

Plan Features

- » Five different plans to accommodate a wide variety of needs and circumstances.
- » Benefit levels to cover the hospitalization, outpatient services, home health care, hospice, skilled nursing, and other expenses Medicare Part A and Part B do not cover.
- » A 30-day free look, guaranteed renewals, and coverage that increases as Medicare deductibles and coinsurances increase.

Eligibility

- » Applicants must be eligible to receive Medicare.³
- » Clients receive unlimited lifetime benefits.
- » [Availability varies by state.](#)

Quoting and Enrolling

Get Medicare Supplement rates using Coverage Builder, then head to our Medicare Supplement quoting and submission tool to close the sale.

- » Quick, convenient online quoting and enrolling technology enables your clients to apply for Medicare Supplement coverage easily.
- » The majority of applications are processed in 24 hours.
- » Electronic underwriting for faster approval times.
- » Multiple ways to process applications, including Telephonic and Mother's maiden name options.
