# Your Manhattan Life Benefits

## Medicare Part A Hospital Coverage

**Deductible** - Manhattan Life Plans C, F, G and N all pay the \$1,484 inpatient hospital deductible for each benefit period.

**First 60 Days** - After the Part A deductible, Medicare pays all eligible expenses for services from your 1st through 60th day of hospital confinement. Services include semi-private room and board, general nursing and miscellaneous hospital services and supplies.

**Coinsurance** - All Manhattan Life Plans pay up to \$371 a day when you're hospitalized from the 61st through the 90th day. And when you're in the hospital from the 91st through 150th day, Manhattan Life Plans pay you up to \$742 a day for each Lifetime Reserve day used.

**Extended Hospital Coverage** - When you're in the hospital longer than 150 days during a Benefit Period, and you've exhausted your 60 Medicare Lifetime Reserve days, all Manhattan Life Plans pay the Part A Medicare eligible expenses for hospitalization, paid at the Prospective Payment System (PPS) rate or other appropriate standard of payment, subject to a lifetime maximum benefit of an additional 365 days.

**Benefit for Blood** - Medicare has one calendar year deductible for blood that is the cost of the first three pints needed. All Manhattan Life Plans pay this deductible.

## Skilled Nursing Facility Care

**First 20 Days** - Medicare pays all eligible expenses.

**Coinsurance** - Manhattan Life Plans C, F, G, and N pay up to \$185.50 a day from the 21st through the 100th day during which you receive skilled nursing care. You must enter a Medicare-certified skilled nursing facility within 30 days of being hospitalized for at least three days.

**Hospice Care** - After you meet Medicare's requirements, including a doctor's certification of terminal illness, Medicare pays all but very limited co-payment or coinsurance for outpatient drugs and inpatient respite care. Manhattan Life Plans pay the Medicare co-payment or coinsurance.

## Medicare Part B Physician's Services and Supplies

**Deductible** - Manhattan Life Plans C and F pay the \$203 calendar year deductible.

**Coinsurance** - After the Part B deductible, all ManhattanLife Assurance Plans generally pay 20% of Medicare eligible expenses for physician's services, hospital outpatient services and supplies, physical and speech therapy, and ambulance service. Plan N requires the insured to pay a portion of Part B coinsurance or co-payments, up to \$20 co-payment for each covered office visit, including specialists, and up to \$50 co-payment for each covered Emergency Room (ER) visit. The ER co-payment will be waived if admitted to any hospital and the ER visit is covered as a Part A expense.

**Excess Benefits** - Your bill for Part B services and supplies may exceed the Medicare Eligible Expense. When that occurs, Manhattan Life Plan F and G pay 100% of the difference, up to the charge limitation established by Medicare.

**Benefit for Blood** - Medicare has one calendar year deductible for blood that is the cost of the first three pints needed. All Manhattan Life Plans pay this deductible.

## Additional Benefits

**Emergency Care Received Outside of the U.S.** - After you pay a \$250 calendar year deductible, Manhattan Life Plans C, F, G and N pay you 80% of eligible billed expenses incurred for emergency care that began during the first 60 consecutive days of each trip outside the U.S., that would have otherwise have been covered by Medicare if provided in the U.S., up to a lifetime maximum of \$50,000. Benefits are payable for emergency health care you need immediately because of a covered injury or illness of sudden and unexpected onset.
