Coverage you can count on

Health care costs can put a strain on your budget, even if you have Medicare Parts A and B, but you can give yourself security and peace of mind by signing up for a Medicare supplement insurance plan offered by Medico Corp Life Insurance Company.

A Medicare supplement insurance plan helps pay for out-of-pocket expenses not covered by Medicare, such as coinsurance, copayments, and/or deductibles. Medicare beneficiaries can enroll in a Medicare supplement product at any time of the year.¹

Coverage that provides value

When you purchase a Medico Medicare supplement insurance plan, you're getting your lowest Medico premium with:

- Preferred rates for non-tobacco users²
- A discount on premium with an automatic bank withdrawal from your checking or savings account
- A discount up to 7 percent on your premium rate when two applicants obtain Medicare supplement coverage with Medico Corp at the same time. The discount will continue as long as coverage for both policies remains in force and the couple status remains unchanged. The discount is available to individuals living at the same address in a legal relationship recognized by the state, including but not limited to marriage, domestic partnerships, and civil unions.
