MEDICARE SUPPLEMENT INSURANCE HELPS FILL IN GAPS THAT ORIGINAL MEDICARE LEAVES BEHIND.

- Deductibles
- Foreign travel emergencies
- Excess charges

Help for the little surprises.

Unexpected medical events (and even routine visits) can turn into a financial crisis. That's where S.USA steps in to help relieve the burden of life's surprises. With a Medicare Supplement policy, you can create a predictable medical budget, providing stability and security for your finances. Rest assured that a Medicare Supplement insurance policy has no network restrictions, meaning you have the freedom to visit any physician you choose who accepts Medicare.

SERVING YOU & YOUR NEEDS FROM START TO FINISH

Household Discount

As long as you live with a spouse or someone over the age of 18 for at least a year, you receive a household discount. The other individual does not have to be a policyholder with us.

A 30-Day Free Look Period

If you aren't satisfied with your policy, you have the right to return it within 30 days. We will treat the policy as if it had never been issued and will return all of your payments.

Your Benefits Won't Change

If Medicare changes its deductible and copayment amounts, the policy benefits will also change to cover you for the difference. Rest assured there will be no surprises or unexpected adjustments.

Guaranteed Renewable for the Life of the Policy

Your coverage will be intact for the entire life of your policy. As long as you pay your premiums on time, your policy will always be there.

12-Month Rate Increase Guarantee

We are proud to offer a 12-month rate increase guarantee, meaning that your rates are locked in place for your first year of coverage, as long as your premiums are paid on time. After the first year your premium may increase based on your age.
