Lump Sum riders may be converted to a policy, since riders cannot stand alone. The insured must continue paying premium on the base policy for the riders to remain.

If there is no indication on the application as to which base the rider should be applied to, an RFI will be sent out for clarification, which could delay processing.

Note: Not all riders are available in all states. Your actual state application may vary from the sample shown above.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE

According to your application and information you have furnished, you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a policy to be issued by Loyal American Life Insurance Company®. Your new policy provides 30 days in which you may decide, without cost, whether or not you decide to keep this policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

1. Health conditions which you may presently have may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.

2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.

3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on any application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.
