If an Insured Person is eligible for Medicare, please review the "Guide to Health Insurance for People with Medicare" which is available from the Company.

- 1. READ YOUR POLICY CAREFULLY!** This Outline of Coverage provides a very brief description of the important features of Your policy. This is not the insurance policy and only the actual provisions of the policy will control the rights and obligations of the parties to it. It is very important, therefore, that You READ YOUR POLICY CAREFULLY.
- 2. SPECIFIED DISEASE COVERAGE** is designed to provide, to persons insured, restricted coverage providing benefits ONLY when certain losses occur as a result of specified diseases. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.
- 3. BENEFITS PROVIDED BY THE POLICY**

CANCER DIAGNOSIS BENEFIT Subject to the Reduction Schedule and Benefit Payment Conditions listed below, if an Insured Person receives a Diagnosis of Cancer from a Physician, We will pay You the Cancer Diagnosis Benefit Amount, shown on the Policy Schedule Page or policy endorsement. This benefit is payable once per Insured Person, per lifetime.

BENEFIT PAYMENT CONDITIONS Payment of the Cancer Diagnosis Benefit shall be subject to the following conditions:

- Diagnosis must be made within the United States;
- the Date of Diagnosis shall occur while the Insured Person is covered by the policy; and
- payment shall be precluded by any general or specific exclusion, limitation, or reduction set forth in or attached to the policy (including, without limitation, the exclusion for any Pre-Existing Condition) or any failure by the Insured Person to meet any condition precedent.

REDUCTION SCHEDULE For any Cancer Diagnosed within the first thirty (30) Days after the Policy Effective Date, the Cancer Diagnosis Benefit Amount shall be reduced. The reduced Benefit Amount for Cancer will be ten percent (10%) of the Cancer Diagnosis Benefit Amount shown on the Policy Schedule Page or policy endorsement.

In the event an Insured Person is Diagnosed with Cancer within the first thirty (30) Days following their Policy Effective Date and the reduced Benefit Amount for Cancer is paid, no other benefits shall be payable and coverage for that Insured Person under the policy will terminate.

4. EXCLUSIONS AND LIMITATIONS

In addition to any benefit-specific conditions, limitations, or exclusions, no benefits will be payable under the policy for:

- a. any disease, Sickness, or incapacity other than Cancer as defined; this is so even though such disease, Sickness, or incapacity may have been complicated, affected (directly or indirectly), or caused by Cancer;
- b. loss that begins prior to the Policy Effective Date;
- c. Diagnosis received outside the United States or its territories, unless otherwise specified in the policy; or
- d. any illness specifically excluded from the definition of Cancer or Carcinoma in Situ.

PRE-EXISTING CONDITION(S) The benefits of the policy will not be payable during the first twelve (12) months that coverage is in force with respect to an Insured Person for any loss caused by Pre-Existing Condition(s). This twelve (12) month period is measured from the Policy Effective Date for each Insured Person.

5. TERMS UNDER WHICH THE POLICY MAY BE CONTINUED IN FORCE OR DISCONTINUED

GUARANTEED RENEWABLE FOR LIFE - The policy is guaranteed renewable for life. You may keep the coverage in force during Your lifetime by paying the premiums on time. We cannot cancel or refuse to renew the policy for any reason other than nonpayment of premium. At no time while You continue the policy in force may We place any restrictive riders on it without Your permission.

6. OPTIONAL BENEFIT RIDERS (additional Premiums required) - A checkmark in any of the boxes below indicates that You have selected the following optional coverage(s):

CANCER RECURRENCE BENEFIT RIDER (LY-CR-RD-OR)

Subject to the Benefit Payment Conditions listed below, a Cancer Recurrence Benefit is payable each time an Insured Person receives a Diagnosis for the recurrence of Cancer. However, for the Cancer Recurrence Benefit to be payable:

- a. the Cancer Diagnosis Benefit Amount under the policy to which the Rider is attached shall have been previously paid for the Insured Person; and
- b. the Insured Person shall not have received any Advice or Treatment for at least twenty-four (24) consecutive months prior to the Date of Diagnosis for the recurrence of Cancer.

The amount payable for the recurrence of Cancer is equal to the percentage times the Cancer Recurrence Benefit Amount shown on the Policy Schedule Page or policy endorsement. The percentage of the Cancer Recurrence Benefit Amount payable is shown in chart below.

Time Period Without Advice or Treatment	% of Cancer Recurrence Benefit Amount Payable	Maximum Percentage of the Cancer Recurrence Benefit Amount
Less than 24 months	0%	100%
24 months or more but less than 5 years	25%	
5 years or more but less than 10 years	75%	
10 years or more	100%	

If an Insured Person receives benefits payable for the recurrence of Cancer that is less than 100% of the Cancer Recurrence Benefit Amount payable and later receives a Diagnosis for a different recurrence of Cancer, We will pay the specified percentage in the chart above, less any prior amounts paid or payable under this benefit. However, for the Cancer Recurrence Benefit to be payable, such Diagnosis of Cancer must be separated by at least twenty-four (24) consecutive months from an Insured Person's last Date of Diagnosis for Cancer under the Rider.

After payment of the maximum percentage of the Cancer Recurrence Benefit Amount for an Insured Person shown in the chart above, coverage for that Insured Person under the Rider will terminate.

BENEFIT PAYMENT CONDITIONS Payment of the Cancer Recurrence Benefit shall be subject to the following conditions:

- a. Diagnosis must be made within the United States;
- b. the Date of Diagnosis shall occur while the Insured Person is covered by the Rider; and

However, for the Heart and Stroke Restoration Benefit to be payable, such Heart and Stroke Restoration Benefit Diagnosis must be separated by at least twenty-four (24) consecutive months from an Insured Person’s last Date of Diagnosis for a Heart Attack, Stroke, or Heart Transplant under the policy to which the Rider is attached.

The amount payable for the Diagnosis of a Heart Attack, Stroke, or Heart Transplant is equal to the percentage times the Heart and Stroke Restoration Benefit Amount shown on the Policy Schedule Page or policy endorsement. The percentage of the Heart and Stroke Restoration Benefit Amount payable is shown in the chart below.

Time Period From Last Date of Diagnosis for a Heart Attack, Stroke, or Heart Transplant	% of Restoration Benefit Amount Payable for a Heart Attack, Stroke, or Heart Transplant	Maximum Percentage of Benefit Amount Payable
Less than 24 months	0%	100%
24 months or more but less than 5 years	25%	
5 years or more but less than 10 years	75%	
10 years or more	100%	

If an Insured Person receives benefits payable for a Heart Attack, Stroke, or Heart Transplant that is less than 100% of the Heart and Stroke Restoration Benefit Amount payable and later receives a Diagnosis for a different Heart Attack, Stroke, or Heart Transplant, We will pay the specified percentage in the chart above, less any prior amounts paid or payable under this benefit. However, for the Heart and Stroke Restoration Benefit to be payable, such Heart and Stroke Restoration Benefit Diagnosis must be separated by at least twenty-four (24) consecutive months from an Insured Person's last Date of Diagnosis for a Heart Attack, Stroke, or Heart Transplant under the Rider.

After payment of the maximum percentage of the Heart and Stroke Restoration Benefit Amount for an Insured Person shown in the chart above, coverage for that Insured Person will terminate under the Rider.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE

According to your application and information you have furnished, you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a policy to be issued by Loyal American Life Insurance Company®. Your new policy provides 30 days in which you may decide, without cost, whether or not you decide to keep this policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

1. Health conditions which you may presently have may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on any application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.
